

PTA Emergency Meeting Notes, 10/30/15

Thank you so much to all who came today. Here's a summary of what occurred at this morning's emergency meeting:

- 1) A general vote was cast to approve Casie Fariello as PTA president from today, Oct 30, until May 2016. This will be Casie's 3rd year as president of the PTA.
- 2) Our main goal right now is to build trust back in the community, and the entire board has already started working together to make a plan moving forward. We will share information as we are able to do so.
- 3) Casie feels confident in Tara, Anna, Robin and Sue and thanked them for continuing on the PTA board.
- 4) The board has decided to postpone our major fundraising events:
 - a) The 80's Decade Dance has been moved to March 5th (if you paid, you may choose to have the full ticket price refunded or transfer it to the spring event, in which case you'll receive a \$5 Thank You refund)
 - b) The Rosata's for the Arts will also be postponed for another time after the holidays.
- 5) We will continue to update and review board and committee responsibilities over the coming months and share our plans as we are able.
- 6) Please remember to be sensitive about discussing this in public and around our children, as kids tend to innocently repeat what they hear at home and may not understand the implications of what is going on.
- 7) If you have any questions, please respond to this email, and Casie Fariello will get back to you.
- 8) Please come to the Nov 17th meeting, time and place TBA, where we hope that we can legally discuss progress that has been made.

Please note that we are in uncharted territory, and while we need to follow the proper steps to protect ourselves, it is our goal to share as much information with you about the PTA and the programs that we have in place for the kids.

Casie
