

# The Magic Tree House

Books by Mary Pope Osborne

Meet Jack and Annie, two siblings who discover a magic tree house filled with books. Read as they complete missions by following clues and visiting locations all around the world and through time.

# Fun things to think about!

If you had a magic tree house where would you like to go and why?

What kinds of thing would you want to have in your tree house?

In the books they use a ladder to get up to the tree house. What other fun ways could you use to climb up or get down from a tree house?
